Eiger MUST Fund, a sub-fund of Eiger SICAV p.l.c.

Class A Shares ISIN Number: MT7000013009

This Fund is managed by Gamma Capital Markets Limited.

Objectives and Investment Policy

The Investment Objective of the Fund is to achieve long-term capital growth through the investment primarily in transferable securities and financial derivative instruments.

The Investment Policy of the Fund is to invest either directly or through eligible collective investment schemes primarily in a diversified portfolio of listed transferable securities including (a) equities; (b) bonds (including corporate and sovereign bonds as well as other forms of securitised debt); (c) currencies (through the use of futures and other FDIs which are quoted on regulated exchanges or traded in the OTC market); (d) indices (including, but not limited to, the S&P 500, DAX, FTSE MIB, IBEX 35, EUROSTOXX50 and SMI) without having a high exposure to any one particular index; (e) eligible ETFs; and (f) eligible ETCs in the form of debt securities and collective investment schemes, consisting of energy, industrial metals and precious metal commodities.

The Fund may invest up to (i) 80% of total assets in debt securities and money market instruments; (ii) 40% of total assets in equities; (iii) 20% of total assets in FDIs (calculated on the basis of the market value of the FDI); and (iv) 50% of total assets in ETFs and ETCs.

The Investment Manager will invest in bonds that have a credit rating of at least "B-" by S&P, provided that the Fund may invest a maximum of 10% of its assets in non-rated bonds.

The bond portfolio of the Fund is expected to have an average duration of 1 to 12 years. Investments in the equities of small capitalisation companies shall not exceed 25% of the total assets of the Fund and investments in all equities shall not exceed 40% of the total assets of the Fund.

The Fund will generally invest in assets denominated in EUR, CHF, USD and GBP. The Fund will also bear the associated costs and fees in connection with the use of such instruments.

The Shareholders may redeem their Investor Shares on any Redemption Day which shall be every Business Day. It is anticipated that any interest income generated by the Fund will be re-invested. The Fund should be viewed as a medium to long term investment.

Risk and Reward Profile

The indicator measures the risk of price fluctuations in the sub-fund certificates based on the last 5 years volatility and places the sub-fund in category 4. Please note that category 1 does not mean a risk-free investment. Historical data, is used in calculating the synthetic indicator, may not be a reliable indication of the future risk profile of the UCITS, as the category might change in the future. These risk factors, which include below, may affect the value of the Sub-Fund's investments / expose the Sub-Fund to losses:

Exchange Rate Risk - The Fund's performance may be adversely affected by variations in the exchange rates between the base currency of the Fund and the currency in which the investments were made.

Credit Risk – money market instruments, bonds or other debt instruments held for a fund involve credit risk represented by the possibility of default by the issuer.

Liquidity Risk – Certain types of assets or securities may be difficult to buy or sell, particularly during adverse market conditions. This may affect the ability to obtain prices for the assets and may therefore prevent the raising of cash to meet redemptions of Investor Shares.

Counterparty Risk – A counterparty (i.e. any institution providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments) may become insolvent and may fail fulfilling its obligations to the sub-fund.

Operational Risk – If a custodian or sub-custodian appointed by or on behalf of the Fund were to become insolvent, or act negligently or fraudulently this could lead to the substantial loss of securities held in custody for the Fund.

For more information regarding risks, please see the Fund's Prospectus in the section entitled "Risk Factors". The section entitled "Practical Information" below explains how you may obtain a free copy of the Prospectus and other useful information.
