

# KEY INVESTOR INFORMATION

This document provides you with key investor information about the Class A Shares of Sectorstar Fund (the “Fund”) a sub-fund of EIGER SICAV p.l.c. (the “Company”). It is not marketing material. The information is required by law to help you to understand the nature and risks of investing in this Fund. You are advised to read it so you can make an informed decision about whether to invest.

## Sectorstar Fund, a sub-fund of EIGER SICAV p.l.c.

### Class A Shares ISIN Number: MT7000023198

This Fund is managed by Gamma Capital Markets Limited.

#### Objectives and Investment Policy

The **Investment Objective** of the Fund is to generate absolute returns.

The Fund shall invest primarily in a diversified portfolio of listed equities whether directly or indirectly through UCITS Funds. The investment process will be based on a combination of quantitative analysis, technical analysis and fundamental analysis.

The Fund may invest in listed equities of medium to large capitalisation companies (i.e. having a market capitalisation in excess of USD 1 billion). The Fund may also limitedly invest in the equities of small capitalisation companies (i.e. having a market capitalisation less than USD 1 billion).

Where the Fund invests in collective investment schemes managed by the Investment Manager, the Investment Manager shall re-imburse the Fund any Investment Management Fee and/or Performance Fee, as well as any applicable Subscription and/or Redemption Fees, received in connection with the Fund’s investment in the target collective investment scheme.

The Fund is not expected to have any bias towards any specific industrial, geographic or other market sector; provided that the Investment Manager will principally target equities listed on European, US and Japanese stock exchanges. Subject to the “Investment and Borrowing Restrictions” in the Offering

Supplement, the Fund will not implement any other specific allocation thresholds in respect of the assets it may invest in.

The Investment Manager is also expected to invest in exchange traded and/or OTC FDIs (including options, forwards, futures, CFDs and swaps) and ETFs for investments and/or hedging purposes and the reduction of risk. The Fund will bear the associated costs and fees in connection with the use of such instruments. These fees will generally be payable to counterparties in OTC FDIs. Such counterparties are not expected to be related to the Company and/or the Investment Manager. The Company may also enter into foreign exchange linked OTC FDIs with the Custodian.

For temporary or defensive purposes, the Fund may invest in short-term fixed income instruments, money market funds, cash and cash equivalents. The Fund may also hold cash and cash equivalents on an ancillary basis or cash management purposes, pending investment in accordance with its Investment Policy and to meet operating expenses and redemption requests.

Shareholders may redeem their Investor Shares on any Redemption Day which shall be the first Business Day of every calendar week. It is anticipated that any interest income generated by the Fund will be re-invested. The Fund should be viewed as a medium to long term investment.

#### Risk and Reward Profile

The Fund’s rating reflects the nature of the expected investments and the corresponding risks to which the Sub-Fund is exposed, and places the Fund in category 6. It should be noted that even the lowest category on the indicator does not mean that the Sub-Fund is risk free. Simulated data is used in calculating the synthetic indicator and may not be a reliable indication of the future risk profile of the Fund. Various risk factors, including the risk factors below, may affect the value of the Fund’s investments and expose the Fund to losses. Furthermore, the rating shown is not guaranteed and may change over time.

**Exchange Rate Risk** - The Fund’s performance may be adversely affected by variations in the exchange rates between the base currency of the Fund and the currency in which the investments were made.

**Credit Risk** – money market instruments, bonds or other debt instruments held for a fund involve credit risk represented by the possibility of default by the issuer.

**Counterparty Risk** – A counterparty (i.e. any institution providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments) may become insolvent and may fail fulfilling its obligations to the Fund.

**Operational Risk** – If a custodian or sub-custodian appointed by or on behalf of the Fund were to become insolvent, or act negligently or fraudulently this could lead to the substantial loss of securities held in custody for the Fund.

**Liquidity Risk** – Certain types of assets or securities may be difficult to buy or sell, particularly during adverse market conditions. This may affect the ability to obtain prices for the assets and may therefore prevent the raising of cash to meet redemptions of Investor Shares.

## Charges

The charges you pay are used to pay the costs of running the Fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

### One-off charges taken before or after you invest

**Entry Charge** Nil

This is the maximum that might be taken out of your money before it is invested.

**Exit Charge** Nil

This is the maximum that might be taken out of your money before the proceeds of your investments are paid out.

### Charges taken from the Fund over each year

**Ongoing charge** 1.53%

### Charges taken from the Fund under specific conditions

**Performance fee** 6% of the net trading gain calculated on the NAV on each Valuation Day. The Performance Fee is calculated on a "high water mark" basis and will be payable quarterly in arrears.

The **ongoing charges** figure is based on the estimated expenses for the period ending December 2020. This figure may vary from year to year. It excludes:

- Performance fees;
- Portfolio transaction costs, except in the case of an entry/exit charge paid by the Fund when buying or selling units in another collective investment undertaking.

**For more detailed information about charges and how these are calculated, please see the Prospectus and the Fund's Offering Supplement. The section entitled "Practical Information" below explains how you may obtain a free copy of the Prospectus, the Fund's Offering Supplement and other useful information.**
