Performance Fee

The Investment Manager shall also receive from the Company in respect of the Sub-Fund a Performance Fee on the appreciation in the Gross Asset Value ("**GAV**") of the Sub-Fund over the previous High Watermark ("**HWM**") multiplied by the average number of Investor Shares in issue in the related class of Investor Shares from the end of the previous Calculation Period on which a Performance Fee was paid.

The Performance Fee in respect of each Calculation Period will be calculated by reference to the Net Asset Value ("**NAV**") before deduction for any accrued Performance Fee.
